

Some ways you can say 'Thank You'

AWARDS IN GIRLGUIDING BUCKINGHAMSHIRE COUNTY

The aim of this leaflet is to bring together information on the Awards within Girlguiding Buckinghamshire County (or higher if appropriate) that can be made/recommended for service within the County, so that there can be greater clarity and understanding generally as to which Award might be appropriate when considering a nomination for recognition of service given or fortitude shown.

It should be remembered that Nominations for all the following Outstanding Service Awards should be made without the knowledge of the nominee or her relatives.

The County Awards group consists of:

County Commissioner

Assistant County Commissioner(s)

County Awards Chairman

County Awards Secretary

Any member as identified by the County Commissioner.

The Awards group meets prior to each meeting of the County Executive - usually 3 times per year. Nominations can be submitted at any time during a year and will be considered at the next scheduled meeting (unless there is good reason to seek an early decision). Once the nomination has been considered, the proposer (not the candidate) will be advised of the outcome, in confidence, by the Awards Secretary.

Successful nominations will result in the Award being passed to the appropriate Commissioner for award at the earliest opportunity at a suitable occasion.

Forms to make nominations are available on the County website or from the County Office.

For consistency of information, please use the forms provided on the county website or on request from the county office.

LONG SERVICE AWARDS

Long service - Girlguiding wishes to recognise everyone's contribution to guiding.

Any adult member who volunteers regularly, irrespective of role, gender or age, is eligible for a Long Service Award. Service will be counted from the date the individual becomes a member, aged 16 or over, and actively carries out a role for 5, 10, 20, 30, 40 or 50 years (not necessarily consecutively).

A Recognised Volunteer Certificate can be presented to individuals who volunteer regularly in guiding but have chosen not to be a full adult member.

The Long Service award brooches are all of similar design with different finishes and metals signifying the years. All the brooches are accompanied by a certificate. The 5-year certificate is signed by the County Commissioner, the 10 and 20-year certificates are signed by the Country or Region Chief Commissioner and the 30, 40 and 50-year certificates are signed by the Chief Guide.

The brooches may be worn on the badge tab or on non-guiding clothing.

It is the responsibility of the County Commissioner to establish when active members in her County are due to receive their awards and to ensure that the awards are presented at an appropriate time and in an appropriate manner. This task has been delegated to the County Awards Team who maintain a small stock of these awards and prepare the awards several times a year to coincide with County Executive meetings when the awards can be passed to Division and District Commissioners (or their representatives) for presentation to the recipient.

If there is any query about length of service, the decision of the County Commissioner is final.

Cloth versions of long service awards

Cloth versions of the brooches are available via the County Awards team. These can be worn out of uniform or used to decorate camp blankets.

For all queries regarding long service awards please contact the County Awards Chairman (contact detail from the County Office).

COUNTY CERTIFICATE OF MERIT

The County Certificate of Merit can be awarded to any person who has contributed to Girlguiding Buckinghamshire County a commitment which has or will be benefit to our members whilst at the same time coping with personal difficulties, (e.g. adverse situations with close family). This certificate may be given when the nominee does not warrant a County Good Service Certificate but has shown courage, selflessness and devotion to duty in circumstances when it would have been easier to give up his or her commitment to Guiding.

Applications for the Certificate of Merit can be submitted at any time, and when life expectancy is poor, will be considered outside the Award Group meetings.

SUPPORTING INFORMATION - for all Awards

Nominations for all the above awards are to be forwarded using the appropriate nomination form, to the County Awards Chairman (via the County Office), and will be considered at the next scheduled meeting of the Awards group.

With so many adults giving good service to the Girlguiding, the Awards Committee has the difficult task of maintaining a high standard of Award Holders whilst at the same time ensuring no deserving nominee goes unrecognised. The supporting evidence is therefore of the utmost importance.

- The relevant section of the Nomination Form must be completed with a list of all appointments held and the dates. A copy of the candidates Go! Record should be used for this purpose and can be obtained from the County Office if necessary.

- Members of the Association, in addition to giving their personal assessment of the nominee, should give their reasons for considering the service given to be outstanding.

- It is helpful if information is given regarding the conditions under which the nominee has or is giving her service, the type of area or community in which she does her Guiding, her influence on other members of the Movement - girls and adults - her involvement with specific projects or events, other commitments, any special achievements which have benefited Girlguiding Buckinghamshire.

- Nominations should be clearly written so that they are easily read, and all required information on the form completed as fully as possible.

PLEASE NOTE: Should a nomination be received from within County which the County Awards group considers worthy of a National Award, the Chairman will contact the proposer to discuss this further with a view to changing the nomination accordingly.
