

Just Moved Contact List

If you are starting at university in September (or returning), or moving to a new area for work and want to stay involved with guiding then find your destination below and get in contact! The **first section** has a list of major towns and cities in each county in Anglia. The **second section** of the list details all Higher Education institutions within Anglia Region, and provides details of who to contact to volunteer with a local unit and if there is a SSAGO club. Look for the SSAGO club's stand at the Fresher's Fair. The **third section** has details for a selection of the bigger universities elsewhere in the country.
